Dr. Frank E. Robbins,
4010 Administration Bldg.,
Ann Arbor, Michigan.

Dear Frank:

In further reference to the George Jewett matter, may I mention that so far as I remember he had two sons, who were little shavers in the days when I knew the father. I note in the telephone book the names of George H. Jewett, 503 N. 4th Avenue, phone No. 2-3919; and that of Richard P. Jewett, 209 E. Kingsley, phone No. 3-4956.

I have no doubt but that these two men are his two sons, and you might like to get in touch with them to see what they can tell you about their father's student days. Undoubtedly he must have told them many stories of his football prowess.

Very cordially yours,

Charles
